

**What we did  
when we couldn't do anything.**

**2020 ANNUAL REPORT**

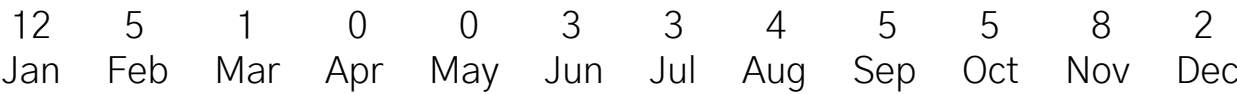

# We taught when we could

Our UNR Medical Students, PA students, APRN, Physical Therapy, and Occupational Therapy students are a part of our medical team.

We provided as many rotations as we could safely.

Number of Clinical Rotations in 2020

**Our fellows continued to care for  
patients in northern Nevada and  
across the country**

# We modified research procedures

Working with our research partners, we shifted our procedures to ensure any research patient who wanted to be seen, could do so safely and remote visits were done whenever possible.
